A Welcome from the President

Dear Friend,

Ark Baptist College is a local church, Bible believing organization. We believe that proper training in Biblical studies is not only necessary for success in ministry, but necessary for our personal life as well. At ABC, we provide Biblical teaching toward certificates, diplomas, and degrees with classes recognized on the national level in Christian Institutions of higher education.

Being a student at the Ark is tremendous opportunity! We offer our students not only the training they desire in the classroom, but also the open door to participate in ministry and apply what they are learning. Whether it be serving in a local church, working in Crisis Prevention Programs in local neighborhoods, or counseling one on one with someone about the problems of life, there are plenty of opportunities for Ark students to get involved.

Apprenticeship program for all mission students privileged opportunity to be on the field with a missionary every semester. We believe that will enable the missions student to be equipped to better handle the culture shock, the life and any negative ordeals that they will encounter.

We believe in the Matthew 4:19 approach for our training program to better equip our Pastoral and Missionary students. “...**And he saith unto them, Follow me, and I will make you fishers of men.**”

Life at the Ark is also enjoyable. We have several spaces available in our men’s and women’s dormitories. These rooms offer the students the ability to make a “home away from home” while making friendships that will last a lifetime. The students are also free to enjoy our city: beautiful, historic St. Augustine, Florida. With its numerous attractions, St. Augustine is a great city to experience college life in firsthand.

Our prayer for each student is that you will be:

- Enabled to preach and teach the word of God in knowledge and truth.
- Encouraged in your personal walk with the Lord Jesus Christ.
- Encompassed with the teaching of God’s Word as found in II Timothy 2:15.
- Involve every student in Crisis Ministry.

May God Bless you in your life for Him!

In Christ,

Calvin Terry King
Ark Baptist College
President

General Information

Our History:

Ark Baptist College (ABC) began in 2007 as an affiliate of the Mother program BIBI. Berean International Bible Institute traces its humble beginning to the missionary vision of Dr. David Arnold, Founder and President of World Evangelistic Outreach, Inc., Chambersburg, Pennsylvania. In twenty years of missionary travel, it became apparent to him that effective Bible training was the most glaring need on the foreign field. God brought his vision together with the burden of Dr. George Rundle to plant local church run Bible institutes at home and abroad, resulting in the establishment of Berean International Bible Institute (BIBI) in September 2002. Now affiliated with Baptist Missions to Forgotten Peoples, Jacksonville, Florida, as of December 2005, BIBI numbered two satellite schools and four associate schools, the beginning of a growing network of local church run Bible institutes. Dr. George Rundle, BIBI's President, also serves as Director of the Bible Institute Ministries Division for Baptist Missions to Forgotten Peoples. As of this printing, two institutes have been added in the Philippines with several more in the start-up process, one in Romania, one in Columbia, one in Mexico, and one stateside institute has become a Bible college. The Mission—raising up an army of Bible institute planters to plant a network of institutes around the world.

Our Vision:

Revival in the Bible school movement and the Church of Jesus Christ! During the 1600-1700's a Bible school movement was born! Great schools arose to meet the challenge of training ministers to serve the Church of Jesus Christ! The movement boasted such names as Harvard, William & Mary, Yale, and Princeton. Yet today, these schools have fallen prey to liberalism and modernism.

The 1940-1970's witnessed a reawakening of the Bible school movement! Many great bulwarks of the faith were raised up, training millions of ministers and laymen for the work of the ministry. Yet, today, some of these schools are in a state of spiritual decline.

What is wrong? Four dreadful diseases have endangered the Bible school movement in particular, and the Church of Jesus Christ in general: 1) Doctrinal Apostasy. As schools have strayed from a firm commitment to the authority of the Scriptures, they have fallen prey to false doctrine. 2) Dead Orthodoxy. Schools once fervent in faith, have fallen prey to mere

academics. Doctrine alone is powerless. It must be energized by the flames of faith. Academics, void of faith, lead to dead orthodoxy. 3) Spiritual Apathy. Schools once distinguished by their godly behavior, have allowed worldliness to slip in, and rob them of spirituality. 4) Division & Heresy. Imbalances in doctrine and duty have robbed schools of spiritual direction. Focusing on issues instead of teaching the whole counsel of God's Word has lead to extremism and pharisaical attitudes causing division, and in some cases, heresy. The need of the hour? . . . Revival in the Bible school movement!

Our Philosophy:

1. Biblical Authority is the pillar upon which our hope of revival rests!

As to its substance, the Bible is inspired and inerrant, the perfect expression of His divine perfection (2 Peter 1:20-21 & 1 Peter 1:23-25). As to its use, the Bible is infallible and absolutely authoritative, our final authority for doctrine and practice! (John 10:35 & 2 Timothy 3:16-17). Biblical authority is the key to genuine revival! (Hebrews 4:12-13)

2. Biblical Faith is the power behind our hope of revival!

As to its exercise, our faith must be solely centered on Him, resting confidently in Him who is invisible (Hebrews 11:1-2, 6). As to its object, faith is trusting fervently in His infallible Word (Romans 10:17). Faith in His infallible Word will fuel the fires of revival! We believe in the preservation of the KJV.

3. Biblical Behavior is the pathway for our hope of revival!

As to its source, godly behavior stems from a proper application of Scripture (2 Timothy 2:15). As to its nature, godly character is cultivated through consistent daily practice. Not just conformity, but character! Change from the inside-out! (Romans 12:1-2) The purpose and the outgrowth of fervent faith in the Scriptures is godly living!

4. Biblical Balance is the plan for our hope of revival!

As to its extent, Biblical balance is speaking with only the authority the Bible lends to any subject. (Mark 7:7-11) Such balance does not major on the minors, nor minor on the majors. As to its scope, Biblical balance involves teaching the whole counsel of God. (Matthew 28:19 & Acts 20:27) Only by consciously determining to maintain balance can we avoid compromise and its flip side, extremism. The fruits of revival can only be preserved as we maintain Biblical balance!

Our Mission:

- 1. Train Men & Women for Full-Time Christian Ministry**
- 2. To offer an apprenticeship program to aid Missionary students a more effective time table for reaching their field of service.**
- 3. To Train Teachers, Workers & Leaders for Local Church Ministry**
- 4. To Teach Lay People the Word of God & How to Live Victoriously**

Our Moto: Act 17:11 “These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so.”

Our Means: The Local Church in action! Principles taught in the classroom can be fleshed out in the loving environment of the local church ministry under the watchful care of the local church Pastor or Missionary.

Our Method: Matt. 4:19 “And he saith unto them, Follow me, and I will make you fishers of men.”

Our Statement of Faith

Concerning the Scriptures: We believe the 66 books of the Bible were given by inspiration of God as God's Holy Spirit moved holy men of old to speak and then write the very Word of God with Holy Spirit taught words. They composed and recorded God's Word to man without error in the whole or in any part. We believe God has providentially preserved His Word, ensuring that, in spite of man's attempts to add or take away from its matter or authority, every generation has access to it. 2. ABC interprets all Scripture literally, including prophecy, except where figures of speech and symbolism require one find the literal truth the symbol or figure represents for the Scripture to make plain sense. ABC holds to the traditional dispensational approach to interpreting and understanding Scripture, but rejects both progressive dispensationalism, which mixes God's programs for Israel and the Church, and ultra-dispensationalism, which overemphasizes the time aspect of dispensations, creating false timelines.

Concerning the Godhead: We believe that there is but one, and only one, living and true God, an infinite, intelligent spirit, perfect in all His attributes, the Maker and Supreme Ruler of heaven and earth, inexpressibly glorious in holiness, and worthy of all honor, confidence and love. He is subsistent in three Persons: Father, Son, and Holy Spirit, each co-equal in deity, yet comprising one divine essence we call "God."

Concerning God, the Son: We believe that the Lord Jesus Christ was virgin born, God incarnate, and that He purchased our redemption through His shed blood on the cross, and that His death was genuine, voluntary, vicarious, substitutionary, propitiatory, and redemptive in nature. Our justification is secured by the death of the Lord Jesus Christ on the cross and that it is made sure by the literal, physical resurrection of Christ from the dead and that He has ascended and is presently seated at the right hand of the Father ministering as our Advocate and High Priest. Christ is the head of the Church, which is His Body, the coming King who will reign on the throne of David universally and will be the final judge of all mankind, of both believers and unbelievers.

Concerning God, the Holy Spirit: The Holy Spirit is a divine person, eternal, equal with God the Father and God the Son, and of the same nature. We believe the Holy Spirit was active in creation, the incarnation, the written revelation, and work of salvation. We believe He is active in convicting the world of sin, of righteousness, and of judgment and transforming believers into Christ's likeness. The Holy Spirit is the supernatural and sovereign agent in regenerating repentant sinners and baptizing, indwelling, sanctifying, instructing, empowering believers for service and sealing them unto the day of redemption. The Holy Spirit baptizes believers into the Body of

Christ and indwells them at the moment of salvation. The Holy Spirit fills or empowers and leads each believer on a day-by-day basis as the believer yields to His control. The Holy Spirit bestows spiritual gifts to every born-again believer at the moment of salvation for the purpose of equipping them to more effectively serve in their local church and fulfill the great commission. While the temporary revelatory and sign gifts given to reveal and confirm the preaching of New Testament truth to Jewish audiences are no longer Scripturally in use, the permanent gifts are still being given for the edification of the Church.

Concerning Man: We believe that God directly and immediately created man in His image and likeness that man might glorify God, enjoy God's fellowship, live his life in the will of God, and thereby accomplish God's purpose for man in the world. Although created in innocence, through Adam's transgression man has lost his innocence and incurred the penalty of spiritual and physical death. Man became inherently corrupt and totally incapable of meriting salvation by any works of his own. Therefore, all men are sinners by divine declaration, by nature, and by choice, and are hopelessly lost, apart from salvation, which is obtained by faith in the redemptive work of the Lord Jesus Christ.

Concerning Salvation: We believe that salvation is wholly a gift of God, appropriated through faith in the redemptive work of Jesus Christ. It is not of works but, rather, works are the fruit of saving faith, giving testimony to the genuineness of one's salvation. We believe that regeneration is a supernatural work of the Holy Spirit by which forgiveness and spiritual cleansing are secured at the moment of saving faith, and the divine nature and divine life are communicated. It is instantaneous and comes only by the power of the Holy Spirit through the Word of God. Good works and fruit become the proper evidence of the regenerating work of the Holy Spirit as the believer submits to His control resulting in faithful obedience to the Word of God. We believe that all redeemed individuals once saved are kept by God's power and are secure in Christ forever. We believe that it is a privilege of believers to rejoice in the

assurance of their salvation, cautioning that the Word of God clearly forbids the use of Christian liberty as an occasion for sinful living and carnality.

Concerning Spiritual Separation: We believe that the doctrine of separation from sin is evident throughout the Old and New Testaments. We believe that all the saved should live in such a manner as not to bring reproach upon their Savior and Lord. God commands separation from all religious apostasy and worldly and sinful practices. We are commanded to be separated from sin and unto the Lord Jesus Christ. Consequently, we do not embrace any aspect of the Charismatic and Ecumenical Movements.

Concerning the Church: We believe Christ is building His Church as He promised, through the establishing of local churches around the world, patterned after New Testament principles and practice. The institution of the Local Church is the pillar and ground of God's Truth in this present Church Age, and has been given the Great Commission, the responsibility to win, tend and send believers to the four corners of the earth, establishing local churches as clearly taught in the New Testament Scriptures. Believers in this present age are directed to associate themselves together in duly constituted local assemblies for the purpose of instruction, fellowship, worship, prayer, and evangelism.

We believe in regenerated church membership. The church has been clearly given two ordinances to observe, Believer's Baptism and the Lord's Supper.

Concerning Man's Eternal Destiny: We believe in the bodily resurrection of all men, the saved to eternal life, and the unsaved to judgment and everlasting punishment. We believe that the souls of the redeemed are, at death, absent from the body and present with the Lord, where in conscious bliss they await the first resurrection, when spirit, soul and body are reunited to be glorified forever with the Lord. We believe that the souls of unbelievers remain, after death, in conscious misery until the second resurrection, when with soul and body reunited, they shall appear at the Great White Throne Judgment, and shall be cast into the Lake of Fire, not to be annihilated, but to suffer everlasting conscious punishment.

Concerning End-Time Events: We believe in the personal, bodily return of the Lord Jesus Christ in the Rapture to translate His Church from this earth. We also believe that between this event and the glorious return of Christ with His Church, the believer's works will be judged at the Judgment Seat of Christ, and the 70th week of Daniel's prophecy unfolds on earth. We believe that immediately following the Rapture of the Church from the earth, the righteous judgments of God will be poured out upon an unbelieving world. These

judgments will be climaxed by the return of Christ in the Second Advent to the earth at which time the Old Testament and Tribulation Saints will be raised and the living saints will be judged. We believe that Christ will establish His Messianic Kingdom for a thousand years on the earth, fulfilling His covenant promises to Israel. During this time, the resurrected saints will reign with Him over all the nations of the earth. Following the Millennial Kingdom, all the wicked dead will be raised and stand before the Great White Throne Judgment, at which time they will be cast into the Lake of Fire in eternal punishment. The redeemed of all the ages will pass into the eternal state and enjoy God's presence for all eternity.

Concerning Present Trends in Doctrine and Practice: Though we believe the truth of God's Word is for all men and our mission is to, if at all possible, win the lost to Christ and exhort the gainsaying to obey God's Word, Berean International Bible Institute does not embrace any of the following trends in doctrine and practice: neo-orthodoxy, neo-evangelicalism, the ecumenical and charismatic movements. BIBI believes the foundation and arbiter of genuine spiritual unity to be the peace of God based on the Word of God. The believer and all true churches are called to come out from such apostasy and be separate from them.

The completed registration form and applicable fees may be submitted on the scheduled College registration day(s). Students needing additional assistance may contact the Ark Baptist College home office by emailing tking@bmfp.org or call (904)810-2005.

Drop/Add Procedures:

A student desiring to drop or add a course to the current registration, must request a "Drop/Add Form" from the local institute or ABC home office. The form must be approved by the losing/gaining instructor(s), and submitted to the local institute for approval. Course changes may be made without incurring the Drop/Add Fee during Drop/Add Week. The first week of each semester is "Drop/Add Week." A "Drop/Add Fee" of \$10.00 will be assessed for each course change thereafter.

Withdrawal Procedures:

Students desiring to withdraw from the College, must submit their request in writing. A Withdrawal Form may be obtained from the ABC office. A "Withdrawal Fee" of \$10.00 must accompany the request. Requests for withdrawal must be submitted no later than two weeks after the last class attended. The deadline for withdrawal with a

"W" is the last school day prior to mid-term exams. The deadline for withdrawal with a "WP" or "WF" is the last class day prior to final exams. Failure to withdraw properly will result in an "F" grade for the applicable course(s).

Attendance Policies:

Students are allowed twice as many excused absences, and as many unexcused absences, during a semester as the number of hours a class meets during each week. Total allowable absences may not exceed three times as many as the number of hours a class meets during a week.* The following chart will prove helpful in understanding the number of allowable absences.

Absent Chart	1 Semester Credit Class	2 Semester Credits Class	3 Semester Credits Class
Excused	2 class hours	4 class hours	6 class hours
Unexcused	1 class hour	2 class hours	3 class hours
Total:	3 class hours*	6 class hours*	9 class hours*

Excused absences are granted when the student is absent due to sickness, doctor's or hospital appointments, or vehicular failure on the way to class. As a rule, all other absences are considered unexcused.* All excuses must be submitted in writing.

Tardies in excess of ten minutes will be counted as one hour of absence. The same number of tardies as unexcused absences are allowed per semester. Three unexcused tardies equal one unexcused absence.

For each excessive excused or unexcused absence, three points will be deducted per class session missed.* More than the total allowable hours of absence* will result in the student not receiving credit for the course.

* Under certain extenuating circumstances, "special excused absences" may be granted for church functions or work requirements, but must be approved by the local institute Director or Coordinator. As a rule, approval must be sought prior to the absence. Special excused absences do not count against the total hours of allowable absences, but the student must attend a minimum of one-half the classes to receive credit.

Absentee Procedures:

- Any student who misses any portion of a class will be required to submit a written excuse providing the date, time and reason for the tardy or absence. This written excuse must be submitted to the student's instructor upon entering or returning to class after a tardy or absence. The instructor will duly note the absence in the class record book. If there is any question as to whether the tardy or absence should be an excused, special excused, or unexcused absence, the student will be advised by the instructor that the excuse slip is being submitted to the College Academic Dean.
- It is advisable that the student reviews any absences prior to mid-term and finals to ensure no discrepancies exist. It is the student's responsibility to ensure that all tardies and absences have been accurately recorded.
- Assignments, quizzes and tests missed as the result of an unexcused tardy or absence cannot be made up. Upon returning from an excused or special excused absence, the student will be given one week for each class session missed to make up any missed assignments, quizzes or tests. It is the student's responsibility to make any necessary arrangements with the instructor. The student is expected to arrange to obtain any notes and assignments missed because of the absence.

Grade Point Average:

The student's grade point average (GPA) is the ratio of the hours attempted to the grade points earned. The grade point average is computed by dividing the total grade points by the total number of semester hours attempted. Berean International Bible Institute uses a four point system.

Grading System:

A	90 - 100	4	grade points per semester hour
B	80 – 89	3	grade points per semester hour
C	70 – 79	2	grade points per semester hour
