MISSION Possible Camp

JULY 13-19, 2026

**"REDEEMING
THE TIME**

BECAUSE THE DAYS ARE EVIL.."

Ephesians 5:16

PURPOSE:

For five days we strive to create an atmosphere that will allow students to zone in and really focus on God's Word, and contemplate His will for them in accomplishing the Great Commission. The camp is staffed by missionaries and volunteers who are able to counsel with the youth from a standpoint of experience, always pointing them to God's Word as they seek to discover His will for their lives.

Since the founding of Mission Possible Camp in 1998, we have seen numerous young people called into full time Christian service - some of whom are on the mission field today.

In His Service,
Terry & Carol King

WHAT IS CAMP?

CAMPS...

1. A Christ centered camp that preaches and teaches a Scripture based view of missions.
2. An opportunity for your young people to interact with veteran missionaries and be challenged with God's call for their lives.
3. A fun-filled program of activities as well as a great menu of delicious meals.

WHAT'S NEXT?

After successful completion of MPC, your young person will be invited to participate in one of the Mission Possible Journeyman Programs. Throughout the year BMFP offers different opportunities to travel and experience the mission field or work alongside a church planter in the USA.
